

Gold Country Classic Men's & Women's Gymnastics Competition

Potential Sponsor,

We invite you to participate in the annual **Gold Country Classic Gymnastics** competition. We are seeking support from businesses and individuals interested in promoting health, fitness and personal development for children since proceeds from this event directly benefit gymnasts. Our goal to raise over \$20,000 in sponsorship and advertising to help cover production expenses as well as raise much needed funds to help gymnasts train toward obtaining their personal goals. Little known fact: Each competitive gymnast requires an average of \$4,000 a year at the beginning levels, and costs can rise to well over \$8,000 per year for Level 10 and Elite gymnasts to train and compete.

The **Gold Country Classic** is a men's and women's gymnastics competition that was established in 1988. 2,000 competitors and spectators are expected to attend this annual competition this year. This competition has drawn competitive teams and their families from the across the USA as well as attracting many international gymnasts. For more information on this competition please visit www.GoldCountryClassic.com.

This exciting gymnastics competition will be held at **Oakland Marriott City Center**. This beautiful Marriott Hotel is a large convention center in the heart of Oakland and is also conveniently located across the street from the BART Station.

Children who participate in gymnastics gain skills that carry over into all areas of their lives. They gain physical strength, fitness, flexibility and coordination, while learning to set goals and stay dedicated towards accomplishing them.

This is a unique opportunity to increase your visibility in the community and support today's youth.

Thank you in advance for any support that you can provide. Sincerely,

Eric Totman - Director / Manager
Gold Country Classic, LLC
